

Welcome to the

IL MUTUAL WELLNESS CLAIM

For the wellness claims, you are welcome to use the linked form, or file the claim online at <https://policyowner.illinoismutual.com>. There is a short registration process to complete before filing your claim. Click the link for a short tutorial- www.illinoismutual.com/wellnessclaims/ Please let me know if you choose to file online so that I can follow up and ensure the claim is paid. If you have any trouble at all, please let me know.

If you choose to file by filling out the claim form, the great news is, this new form no longer requires "proof of exam" documentation to be submitted!

You can mail, email or fax back the completed form to me at 217-954-0348. I will then forward on to an examiner and follow up with them in 1 week to check on the status and hopefully you will have received a check by then.

The covered wellness exams are listed on the attached form and are as follows:
